The Secretary Writes

Dear IAN Members,

The 26th Annual Conference of the Indian Academy of Neurology (IANCON 2018) at Raipur (CG) is fast approaching and we hope to see you at the Conference. Without doubt an exciting scientific and social programs await your attention. Dr. Sanjeev Thomas, President, Indian Academy of Neurology has crafted an elaborate scientific program based on the inputs from members via the online symposium proposal portal (We received over 60 session proposals this year).

The Organising Committee led by Dr. SK Tamer, Chairman and Dr. Shailendra Jain and with Dr. Sanjay Sharma as Organising Secretary, IANCON-2018 are working very hard to ensure every comfort and the very best scientific, social and culinary offerings to the delegates.

Many aspects of the scientific program deserve mention. The Conference will feature four Orations, 24 scientific symposia with over 180 talks by leading experts, 8 breakfast sessions, the very popular IAN BAR-B-Quiz for students, Clinico-pathological Conference, CME, video sessions, a journal update known as "Hot topics in Neurology", 12 oral free paper sessions with 72 papers and conventional and e-poster sessions, in which 380 papers will be presented. The Residents' forum and a sessions which was well-appreciated from last couple of years will also be held during the conference. In addition, IAN introduces this time the IAN Global Friendship Symposium having 3 speakers from overseas.

Not to forget mention of two events on the lighter side in the life of a neurologist: "Neu Ro Ga Ma", a unique cultural program in which members will display their singing and musical talents on Saturday, September 29 evening and "Running for Neurology"- inviting all delegates to take part in a running activity preceded by a session extolling the benefits of running.

We look forward to meeting you during IANCON-2018.

Best Wishes,

Gagandeep Singh

460/98765-11974 Gagandeep Si

Congratulations

Prof. M. Gourie Devi, New Delhi was conferred with 'Kugelberg Award' during the 31st International Conference of Clinical Neurophysiology, Washington DC.

Dr. Sunil K. Narayan, Pudducherry has been elected Fellow of American Academy of Neurology.

Dr. Nirmal Surya, Mumbai delivered a keynote address at the 1st Mongolian Congress for Neurorehabilitation-2018, Ulaanbaatar, Mongolia

Prof. Sudhir Shah, Ahmedabad, have been selected for the prestigious Dr. B C Roy National Award as 'Eminent Medical Teacher' for the year, 2017.

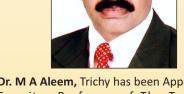

Dr. R. Pazhani, Tamilnadu have been appointed as Regional Advisor for Royal College of Physicians of Edinburgh, Tamilnadu.

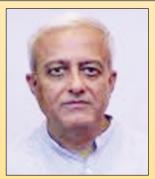

NeuroLearn

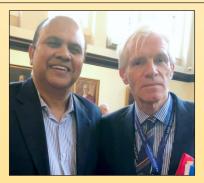

Prof. Bindu Menon, Nellore received the World Stroke Award under the Individual achievement category from the World Stroke Organization.

Dr. M A Aleem, Trichy has been Appointed as Emeritus Professor of The Tamilnadu Dr.M.G.R.Medical University of Tamilnadu India in Neurology.

Dr. Roop Gursahani, Mumbai has been elected Fellow of The American Academy of Neurology (FAAN).

Dr. Methil Pradeep with Dr. David Galloway, President, Royal College, Glasgow; He delivered a lecture at the Royal College

Members and their Spouse/Child Dear All, Please note that the IAN offers the

IAN: Professional Indemnity **Insurance Policy for its Life**

opportunity of Professional Indemnity Insurance from 2016 onwards to all its Life Members and their spouses who are in the medical practice. The rates and other details of the Insurance scheme is available online.

You can register and fill up the online insurance policy form at the IAN website http://www.ianindia.org/insurancepolicy.html

The following 10 AAN, NeuroLearn online courses are available at subsidized rate of Rs.1000/- for single person use. A limited number [three hundred (300) only] will be available for purchase by IAN Members at the IAN Stall during the 26th Annual Conference of the Indian Academy of Neurology (IANCON 2018) at Raipur from September 27 to 30, 2018:

- 1. Herpes Simplex Virus Encephalitis
- 2. The Brachial Plexus (Second Edition)
- Interpretation of the Normal Adult EEG: Normal Patterns and Common Artifacts
- 4. Cervical Spondylotic Myelopathy
- 5. Sick & Tired: Recognizing and Treating Fatigue in Persons with Multiple Sclerosis (Second Edition)
- 6. Fibromyalgia: What's the Deal? (Second Edition)
- 7. Interpretation of Autoimmune Neurological Antibody Profiles
- 8. Paraproteinemia and Neuropathy
- 9. Sleep and the Practicing Neurologist: Mechanisms and Management
- 10. Painful Pupillary Problems

Obituary

Dr. Shyamal K. Das, MBBS, MD, DM, FIAN.

Dr. Shyamal K. Das, Kolkata

Fifth of the six siblings, Shyamal Kumar Das was born in a small village Dania Khali weaver's family of Distt. Hugli, West Bengal, who with amazing parenting and wonderful intellectual capabilities after medical graduation entered PGIMER Chandigarh and qualified MD General Medicine and DM Neurology in mid-1985. Being my batch mate, I had close association with such a simple, straight-forward, hardworking, ground to earth personality who despite all odds was full of empathy for his patients, colleagues, students and

truthful to actualisation. Married to a sweet loving caring lady Roma, he was blessed with a daughter, Surma, now a Professor in Law and Political Science and a son, Sidhharath who has finished training in bio-instrumentation.

With his illustrious carrier, weaving best threads between teacher and taught, among peer groups, patients, family, social commitments Shyamal Da adopted need-based medical services and R&D. His work in Neuro-epidemiology, movement disorders, aging brain and other fields of clinical neurology led to 256 research items with 4605 citation, became the 2nd Prof and Head Department of Neurology Bangur Medical College Kolkata and President of Alzheimer and related Disorder Society of India, Calcutta Chapter.

Exit from the existential flow was rather early when few days back Shyamal da had a massive intra-cranial bleed and we lost a good human, a friend, a doctor par excellence neuro-scientist on 5th August 2018

This is a great loss to all members of Indian Academy of Neurology, to me specifically as his meaningful ways of living life always, never in ego trap haunted me. Shyamal Da has left us all, however his values, and ideas will always be remembered with warmth and making a roadmap for becoming a good neurologist. Good people like Shyamal Da accept our condolences with good words like:

Just close your eyes and you will see, All the memories that you have of me;

Just sit and relax and you will find, I'm really still there inside your mind;

Don't cry for me now I'm gone, For I am in the land of songs;

There is no pain, there is no fear, So dry away that silent tear;

Don't think of me in the dark and cold, For here I am, no longer old;

I'm in that place that's filled with love, Known to you all, as "up above";

We do all stand by against all odds to the aggrieved family always.

Suresh Kumar Bansal, Chandigarh

World Brain Day, July 22, 2018

(see front cover for photographs)

Nagpur, Maharashtra:

Dr. Chandrashekhar Meshram organized a meeting of neurologists, neurosurgeons, psychiatrists and other social groups to plan the World Brain Day celebration. Press note was released on 21st July. Public education program on air pollution and Brain health was arranged on 22nd July. The Program was inaugurated by renowned actor and psychiatrist Dr Mohan Agashe. An Artist and President of Basoli group of children was the guest of honor. Mayor of Nagpur, Mr. Nandatai Jichkar also attended the event. Dr. Chandrashekhar Meshram delivered a talk on air pollution and the brain and highlighted the importance of world brain day and public education activities. He also explained the natural and man made causes of air pollution and effects of air pollution on brain. He mentioned that out of 15 most polluted cities in the world, 14 are from India. He suggested that nation-wide campaign for clean air is the need of the hour. The event was attended by 500 people.

This was followed by screening of national award winning educative movie "Astu" based on dementia. After the movie, Dr Mohan Aga, interacted with the audience and explained the finer details about dementia and role of care giver.

Dr. Chandrashekhar Meshram gave a interview on All India Radio, explaining various aspects of air pollution including effects on brain and means for reducing the air pollution. World Brain Day posters were displayed in prominent places in city including hospitals and clinics. Print media carried the campaign with great interest and there were 14 publications in various newspapers in English, Hindi and Marathi languages.

Nellore, Tamil Nadu:

Dr. Bindu Menon Foundation, Apollo Speciality hospitals and Jain Hub participated in world brain day event on 22nd July. The theme "Clean Air for Healthy brain" was propagated. As Vehicles contribute a great deal to the air pollution, a cycle rally was organized which started from the main ground of Nellore VRC centre and went all across the town.

A press meet was organized prior to the cycle rally. Prof BinduMenon Senior Neurologist addressed the meeting and emphasized the need for clean air for a healthy brain. Among the various forms of air pollution, Dr. Bindu Menon emphasized that vehicle induced pollution is a major contributor for air pollution. Encouraging the public to use cycle especially youngsters and switch to pedal power. A clean air is essential to prevent several diseases including Brain Stroke and degenerative disorders. More than 100 cyclists of all ages including children participated in the cycle rally. All wore

T-shirts featuring slogan "Clean Air of Healthy brain" and WFN emblem. The cycle rally was a huge success. The print and electronic media covered the event. Dr. Bindu Menon thanked all the participants of the cycle rally for making the event a huge success.

Ahmedabad, Gujarat:

Dr. Shailesh Darji published the articles on Air pollution and brain health in local newspapers in Gujarati language.

Sholapur, Maharashtra:

Dr. Prasanna Kasegaonkar gave a detailed interview on All India Radio on air pollution and brain health.

Trichy, Tamil Nadu:

Tamil Nadu Pondicherry Association of Neurologists issued the press release and it s President Dr M A Aleem gave a detailed interview highlighting the role of air pollution in stroke and other degenerative brain diseases.

Dr. Chandrashekhar Meshram Co-ordinator, World Brain Day - India

IAN Summer School, May 5-6, 2018, Hyderabad

Dr. Subhash Kaul (Past President), Dr. Sita Jayalakshmi, Dr. V. Mohan Das, Dr. Gagandeep Singh and Dr. V. Bhaskar Rao (CEO, KIMS Hospital) at the inaugural ceremony

The 7th Annual Summer School of Indian Academy of Neurology was organized on 5th and 6th May 2018 in the spacious and state of art auditorium of Krishna Institute of Medical Sciences, Secunderabad overlooking the beautiful Hussain Sagar lake. The course was organized by Brain and Spine Society of Hyderabad under the chairmanship of Dr Mohandas. Dr Subhash Kaul and Dr Sitajayalakshmi were the course directors The theme of the course was

"Preparing for Exam - Learning for Life". The course was attended by more than 200 postgraduates and 40 senior faculty members from all over India who gave a very positive feedback about the content and structure of course. This was possible due to the efforts of highly reputed faculty who delivered very informative and interactive lectures on clinical approach to major Neurological disorders usually encountered in exams and also conducted live case

presentations, exam-oriented Neuroradiology, Neuropathology and Neurophysiology sessions for residents. There was a special session on recent advances in all sub-specialties of Neurology relevant to residents. Other lectures which became very popular were "How to get most of your Residency" and "How to excel as a Neurologist; lessons from stalwarts" and a special lecture on publishing papers from the thesis. The program ended in time with an interactive, informative, exam oriented and enjoyable Neuro Quiz. Telangana State Medical Council awarded 4 CME credit hours to the Summer school.

Subhash Kaul, Chairman, Organising Committee; **Sita Jayalakshmi,** Organising Secretary

A delegate asking a question at the Summer School

Headache Master School, Sydney, Australia, August 17-19, 2018

At the recommendation of the Headache subsection, the Indian Academy of Neurology supported travel for 2 delegates and recommended travel fellowships for another 4:

- 1. Dr. Girish Kulkarni
- 2. Dr. Manoj Somashekharan
- 3. Dr. Asish Duggal
- 4. Dr. Thomas Mathew
- 5. Dr. Soumyadarshan Nayak
- 6. Dr. Amit Shankar Singh

Dr. Kulkarni, Dr. Thomas Mathew both from Bengaluru have submitted their reports (www.ianindia.org)

"The conference will definitely help me in better organizing the Headache clinic service at our hospital..." - Dr. Girish B. Kulkarni, Bengaluru

Indian delegates: (L->R): Dr. Soumyadarshan Nayak, Dr. Thomas Mathew, Dr. Manoj Somashekharn, Dr. Girish Kulkarni and Dr. Asish Duggal

"We had a wonderful time learning from the doyens of Headache medicine....." - Prof. Thomas Mathew, Bengaluru

ICTRIMS, July 13-15, 2018, Kochi

Prof. B.S. Singhal lighting the lamp with organising committee members during inaugural ceremony

The annual autoimmune diseases of CNS subsection meeting of the Indian Academy of Neurology was held in Kochi from July 13 to 15, 2018. The conference was well attended with participation of around 400 delegates .The conference was enlightened by the wisdom of around 70 national and 10 international faculties.

The European Charcot Foundation Symposium was held along with the conference. Dr Giarncalo Comi, Dr Letizia Leocani, Dr Wolfgang Bruck represented the ECF. The other overseas faculties were Dr Angela Vincent, Dr Jalesh Panicker, Dr Suresh Menon, Dr Patrick Vermesch and Dr Jermy Hobart. Dr Bhim Singhal inaugurated the conference by lighting the lamp. Dr Satish Khadilkar the President elect IAN, Dr Gagandeep Singh secretary IAN, Dr Anand Kumar, Dr M.D. Nair, Dr Mathew Abraham, Dr Suresh Kumar, Dr Sudheeran Kannoth, A.K. Meena Convenor IAN, Dr Suresh Chandran and Renuka Malakkar (MSSI) spoke at the inaugural function.

Dr Giarncalo Comi delivering his talk during conference

Apart from MS and NMO spectrum disorders, basics of immunology with respect to all neurological disorders was given emphasis. This meeting marked by a pre-conference workshop with interesting real life case scenarios on different topics. There was also a patient awareness programme conducted in association with MSSI India who

participated actively in the conference .The conference was well received for its academic content and overall organisation.

> Dr. A.K. Meena Convener **Autoimmune Subsection**

IAN Travelling Fellowship: Report

I had an opportunity to present the abstract of my thesis on 17th May 2018 at 4th European Stroke Organization Conference held at Gothenburg, Sweden. The title of my study is "Labetalol Infusion to reduce Blood Pressure Variability and Hematoma Expansion: A Randomized Controlled Study". My abstract was chosen for oral presentation. The conference was very well organized and successful. Several of the sessions, which I attended had been very informative and insightful. I learned about the new stroke trial discussed over there like WAKE-UP trial and Point trial. I also had an opportunity to share my study with other delegates and take their views. Overall it was a great experience to hear the experts in the field of stroke discussing major clinical trials. I would like to thank my mentors Dr. Jeyaraj D Pandian, (Principal and Professor of Neurology, Christian Medical College & Hospital, Ludhiana) and Dr. Mahesh P Kate (HOD, Neurology Department) for guiding and helping me in this work. I would also like to express my thanks to the Indian Academy of Neurology for selecting me for the IAN Travelling Fellowship 2018.

Yours sincerely Dr. Rajeshwar Senior Resident Department of Neurology Christian Medical College & Hospital, Ludhiana

NOTICES

AINA – IAN Neurology Observership Indian Academy of Neurology (IAN) and Association of Indian Neurologists in America (AINA)

The Association of Indian Neurologists in America (AINA) and Indian Academy of Neurology (IAN) have joined hands to institute four (4) observerships of maximum 6 weeks duration in United States (US) in 2019 for eligible life members (see eligibility criteria below) of the Indian Academy of Neurology.

The Association of Indian Neurologists in America (AINA) would provide an allowance of US\$ One thousand (USD 1000/-) only to cover costs of stay and the Indian Academy of Neurology would cover Economy class air-travel costs to the site upto a maximum of INR 50,000/-.

a) US sites and Contacts

The observerships would be available at the sites listed below. The names of the contacts at these sites are also provided. After selection, the candidates need to apply to the University Neurology Department through the AINA contacts mentioned below. Note that the IAN/AINA is unable to waive any institutional rules and regulations pertaining to the observership.

Site 1

Name of the Institution & Department: The International Center for Epilepsy at Ochsner, Ochsner Neurosciences Institute, New Orleans, LA, USA

Key Contact at the program: Dr Fawad A. Khan, MD

Email/address the application needs to be sent to: fakhan@ochsner.org

Sub speciality the Observership will be offered in: $\ensuremath{\mathsf{EPILEPSY}}$, ICU, EEG

AINA member at the Program, name & Email: Dr Fawad A. Khan, MD; fakhan@ochsner.org

Observership Weblink if applicable: <u>https://www.ochsner.org/services/epilepsy-and-seizure-disorders</u>

Site 2

Name of the Institution & Department: Neurological Institute, Department of Neurology, Creighton University School of Medicine, Omaha, NE, USA

Key Contact at the program: Kathy Andersen

Email/address the application needs to be sent to: katander@creighton.edu

Sub speciality the Observership will be offered in: General Neurology, Epilepsy

AINA member at the Program, name & Email: Dr Sanjay Pratap Singh, MD,FAAN; sanjaysingh@creighton.edu

Observership Weblink if applicable:

http://medschool.creighton.edu/neurology/neurologyobservership/

Site 3

Name of the Institution & Department: Epilepsy Center, Neuroscience Institute, Cleveland Clinic

Key Contact at the program: Dr Prakash Kotagal, MD

Email/address the application needs to be sent to: Kotagap@ccf.org

Sub speciality the Observership will be offered in: $\ensuremath{\mathsf{EPILEPSY}}$

AINA member at the Program, name & Email: Dr P. Kotagal; Kotagap@ccf.org

Observership Weblink if applicable: NA

Site 4

Name of the Institution & Department: Department of Neurology, University of Pittsburgh School of Medicine, Pittsburgh, PA, USA

Key Contact at the program: Kunvatanagarn, Samantha Email/address the application needs to be sent to: essass@upmc.edu

Sub speciality the Observership will be offered in: Neurology, Stroke, Interventional Neurology, Neurocritical

AINA member at the Program, name & Email: Dr Ashutosh Jadhav; jadhavap@upmc.edu

Observership Weblink if applicable: http://www.neurology.upmc.edu/faculty/jadhav.html

Site 5

Name of the Institution & Department: Pediatric Neurology Service Line for Northwell Health, Zucker School of Medicine at Hofstra/Northwell, New York, NY, USA.

Key Contact at the program: Dr Sanjeev Kothare, MD,

Email/address the application needs to be sent to: skothare@northwell.edu

Sub speciality the Observership will be offered in: Child Neurology

AINA member at the Program, name & Email: Dr S. Kothare, MD, FAAN; skothare@northwell.edu

Observership Weblink if applicable: https://pediatrics.northwell.edu/departments-services/pediatric-neurology/about--us

Site

Name of the Institution & Department: The Hospital of The University of Pennsylvania, Department of Neurology

Key Contact at the program: Atul Kalanuria, MD

Email/address the application needs to be sent to: atulkal@upenn.edu

Sub speciality the Observership will be offered in: Neurocritical Care

AINA member at the Program, name & Email: Atul Kalanuria, MD

Observership Weblink if applicable: NA

b) Eligibility Criteria:

- i. Age < 40 years on day of application deadline
- ii. Currently life member of IAN
- iii. Membership of IAN for atleast 2 years (may include Associate Membership)
- iv. Must not have received travelling fellowship of the IAN in past four years.
- Must have attended and presented a research paper in at least one National Conference of the Indian Academy of Neurology in the past.
- vi. Receipt of Award or Presentation of a paper during the Award Paper Session of the Annual Conference of the Indian Academy of Neurology is desirable and will be given credit.
- vii. Forms are available online at www.ianindia.org
- viii. Applicants are required to arrange a signed letter of recommendation (on institutional letter head) by a departmental head/teacher/mentor/senior IAN member. This may be e-mailed separately to iansecretary@gmail.com
- ix. Deadline for application: Saturday, September 22, 2018; 05:00 PM.

) Selection procedure:

- Application will be scrutinized by Secretary, IAN for eligibility
- The selection committee shall comprise 5 members: including the President, IAN and immediate two (2) Past Presidents, IAN and 2 members from Association of Indian Neurologists in America (AINA).
- Selection will be based on merit with consideration of distinction and awards, papers published and presented, age, perceived need and matching of observership goals with site facilities.
- iv. Decision of the Selection Committee will be available by November 01, 2018 and shall be final. No communication shall be entertained lieu of the decision.

IAN Stall at IANCON

Visit the IAN Stall Opposite Main Hall, Ground Floor, Pandit Deendayan Upadhyay Auditorium, Science College, Raipur from Thursday, September 27, 2018 to Sunday, September 30, 12:00 Noon.

- Your photograph for IAN Directory
- Address/email/telephone number update
- To become a member
- To convert from Associate Member to Life Member
- Purchase Neurol earn
- Professional Indemnity Insurance
- To learn about IAN activities

Annual General Meeting (AGM)

The Annual General Meeting (AGM) of the Indian Academy of Neurology will be held on Saturday, September 29, 2018 in Hall A, Pandit Deendayan Upadhyay Auditorium, Science College, Raipur during the 26th Annual Conference of the Indian Academy of Neurology.

Positions Available

- Postdoc candidates-2 Posts with experience in fMRI/EEG/TMS and eye tracker + physiological measuresat Department of Humanities and Social Sciences, Indian Institute of Technology Bombay (IITB), India. Interested candidates can contact Dr. Rashmi Gupta (email id: rash_cogsci@yahoo.com), Assistant Professor, Department of Cognitive Sciences, IITB.
- II) Senior Specialist Neurologists with at least 10 years of experience following DM (Neurology) or equivalent; Specialist Neurologists with at least 5 years experience following DM (Neurology) or equivalent; Early career doctors with an interest in Neurology with preference given to those who have completed specialty training in Neurology in Bruei.

For further information on the centre and the nature of the post, please contact **Dr DS Nur'Ashikin Pg Tengah**, Consultant Neurologist, Ministry of Health, Brunei Darussalam at nurashikin.tengah@gmail.com. More details can also be obtained from the centre's website, www.pjsc.com/bnsrc/.

	Lunch Symnosium - 05: Challenges in migraine treatment	T	Chairnersons	1
	Lunch Symposium - 05: Challenges in migraine treatment	Alak Tayasi Cl	Chairpersons: Sudhir Shah, Ahmedabad	
	Acute migraine treatment: Current prospectives Panel discussion: Preventive treatment in migraine	Alok Tayagi, Glasgow Moderator: K. Ravishankar, Mumbai	Sunil Pradhan, Lucknow	
	ranei uiscussion: Preventive treatment in migraine	Panelists: Alok Tayagi, Glasgow Debashish Chowdhury, New Delhi	Ramesh Bhattacharyya, Kolkata	
	Lunch Symposium - 06	Sumit Singh, New Delhi	Chairpersons: TBD	
	Role of biomarkers in Alzheimer's disease - drug trials	SM Katrak, Mumbai		
	Pathophysiology of Alzheimer's disease & role of Homotaurine as a neuroprotactor	Joy Desai, Mumbai		
14:30-15:30 hrs	Symposium-IX: Stroke		Convener: Subhash Kaul, Hyderabad	Α
	Protecting brains through stroke prevention strategies in India	Yogesh Kalkonde, Gadchiroli	Chairpersons:	
	Time window to tissue window in thrombolysis, implications of recent studies in clinical practice	S Kumaravelu, Guntur	Jagdish Agadi, Bengaluru	
	Fever, Swallowing and Sugar (FeSS) management in acute stroke to improve outcome	Mahesh Kate, Ludhiana	Shamsher Dwivedee, Gurgaon	
	Symposium-X: Multiple System Atrophy		Convener: Achal K Srivastava, New	В
	Evaluation of autonomic function with reference to MSA	S P Gorthi, Manipal	Delhi	
	Late-onset ataxia to MSA-C	Achal K Srivastava, New Delhi	Chairmarana	
	Current management strategies in MSA	Hrishikesh Kumar, Kolkata	Chairpersons: Kalyan Bhattacharyya, Kolkata	
	Symposium-XI: Tropical Neurology		Tarun Nagpal, Jabalpur Convener: Pratap Sanchetee	С
	Nutritional disorders of the nervous system	Rahul Kulkarni, Pune	-	
	Non-compressive myelopathies	Pratap Sanchetee, Jodhpur	Chairpersons:	
	Neurologic toxicity related to heavy metals	Neeraj Kumar, Minnesota, USA	R K Garg, Lucknow Atanu Biswas, Kolkata	
15-20-46-20-1		, , , , , , , , , , , , , , , , , , , ,	· ·	
15:30-16:30 hrs	Symposium-XII: Neuroradiology	Deign Isin No. V. I. U.S.	Convener:	Α
	Stroke and tumour mimics; Functional neuroradiology	Rajan Jain, New York, USA	Chairpersons: Sunil Pradhan, Lucknow Sushil Razdan, Jammu	
	Symposium-XIII: Cognition		Convener: Apoorva Pauranik, Indore	В
	Higher visual disorders	E Ratnavalli, Bengaluru	Chairmarana	
	Executive dysfunction	Ashima Nehra, New Delhi	Chairpersons: Amitabh Verma, New Delhi	
	Novel therapeutics targets in dementia	Amitabh Ghosh, Kolkata	James Jose, Kozhikode	
	Symposium-XIV: Refractory Migraine (Headache)		Convener: Debashish Chowdhury,	С
		K Ravishankar, Mumbai	New Delhi	
	Why and how does migraine become refractory? Blocks, injections and neuromodulation in refractory migraine	Alok Tayagi, Glasgow	Chairpersons: Musthaq Ahmed, Srinagar Thomas lype, Thiruvanthapuram	
16:30-17:00 hrs	To Produ			
	Tea Break			
17:00-18:00 hrs	Platform Session 04: Epilepsy EO1/92: Observational study of seizure profile in a large cohort of cerebral venous thrombosis from Southern India.	Thorat N, Belgaum	Chairpersons: Sita Jayalakshmi, Hyderabad V Beena, Kottayam	А
	EO2/114: Psychogenic non-epileptic seizures: Our experience	Gottipati BN, Guntur		
	EO3/152: The dilemma of seizure and pseudoseizure	Roy A K, Bangalore		
	EO4/175: Belief in medication and adherence to antiepileptic drugs in people with epilepsy: a cross-sectional study from a rural medical institute of North India	Verma A, Saifai		
	EO5/307: Autoimmune epilepsy: Clinical, radiological, FDGPET charecterestics and outcome	Kartheek T, Hyderabad		
	EO6/323: Epilepsy surgery at or near eloquent cortex: Challenges, approaches and outcomes	Kumar S, Bangalore		
	Platform Session 05: Neuromuscular & Miscellaneous Disorders		Chairperson:	В
	NO1/101: Evaluation of peripheral neuropathies with high resolution ultrasonography and colour doppler	Sharma CM, Jaipur	A K Meena, Hyderabad O P Lekhra, Bhopal	
	NO2/105: Congenital myasthenic syndrome with predominant limb girdle phenotype: GMPPB homozygous variant with likely founder mutation	Nalini A, Bangalore		
	NO3/178: Clinical profile and disease severity assessment in patients with myasthenia: A clinico- immunological correlation study	Vemuri D, Visakhapatnam		
	NO4/355: Medial and lateral plantar sensory nerve conduction studies in early prediction of diabetic neuropathy	Vanukuri NK, Chennai		
	NO5/276: Transcranial doppler diagnostic value in inter ictal phase of migraine	Alashetty A, Chennai		
	NO6/AWPN6: Screening for Pompe disease in patients presenting with undiagnosed limb-girdle muscular weakness, unclassified limb-girdle muscular dystrophyin children and adult population	Sweetson D, Chennai		
	Platform Session 06: Infections & Miscellaneous Disorders		Chairpersons:	С
	101/14: Central nervous system tuberculosis presenting as acute meningioencephalitis: A case series describing an under recognized entity	Shah IA, Srinagar	U K Misra, Lucknow A Jayavelu, Raipur	
	102/59: Safety and efficacy of fludrocortisone in treatment of cerebral salt wasting in tuberculous meningitis: An open label randomized clinical trial	Misra UK, Lucknow		
	IO3/201: Determinants of poor response to intensive phase of anti-tuberculosis treatment in patients with	Shekhar R, Lucknow		
	tuberculous maningitis			
	tuberculous meningitis 104/256: Clinico-radiological spectrum of spinal tuberculosis and its outcome with conservative management	Warrier S, Lucknow		
	-	Warrier S, Lucknow Rathod M, Lucknow		
	104/256: Clinico-radiological spectrum of spinal tuberculosis and its outcome with conservative management	·		

:00-19:00 hrs	Symposium-XV: Videos in Neurology		Chairpersons:
	Clinical signs: The joy of neurology	V Jayakumar, Madurai	R K Surekha, Jaipur Kiran Bala, Rohtak
	Movement Disorders	Pankaj Agarwal, Mumbai	- Kildii bdid, Kolitak
	Symposium-XVI: Interventional Neurology		Convener: Gigy Kuruttukulam, Kochi
	Mechanical thrombectomy	Mukesh Sharma, Ahmedabad	1
	DAWN of a new era in stroke care	Gigy Kuruttukulam, Kochi	Chairpersons: Shakhir Hussain, Switzerland
	Intracranial stenting - Are we different?	Anand Alurkar, Pune	Vijay Sardana, Kota
	Aneurysm management - An update	Atulabh Vajpaye, Udaipur	
	Dural AV fistula - A neurologists' perspective	Vikram Huded, Bengaluru	
	Symposium-XVII: Neuromuscular Disorders	Course Invest IIII	Convener: Satish Khadilkar, Mumbai
	Neuromyotonia - What is new?	Sarosh Irani, UK Debashish Chowdhury, New Delhi	Chairpersons:
	Motor Neurone Disease: From Stephen Hawking's perspective Making clinical sense of the LGMD spectrum	Satish Khadilkar, Mumbai	K Bhanu, Chennai Amita Bhargava, Jodhpur
	The state of the come speed and	Satisfi Madinar, Manisar	
0-20:00 hrs	Symposium-XVIII: Frontiers in neurogenetics		Convener: Sunil Narayan, Puducherry
	Basic principles of neurogenetics diagnostics	Sunil Narayan, Puducherry	Chairpersons:
	Explorative neurogenetics	Faruq M., New Delhi	Gautam Ganguly, Kolkata
	Enzyme replacement therapy in neurogenetic disorders with inborn errors of metabolism	Maya Thomas, Vellore	Butchi Raju Garuda, Vizag
	Residents' Forum		Convener: Sangeeta Ravat, Mumbai
	Introduction	Sangeeta Ravat, Mumbai	
	How to embark on a career in stroke intervention?	Shakhir Hussain, Zurich, Switzerland	
	Breaking bad news	Roop Gursahani, Mumbai	
	TBD	Noop carsanam, mambar	_
	Saturday, September 29, 20	018	
Time	Session & Topics	Speakers	Chairpersons/Conveners
-9:00 hrs	Breakfast Session-IV: Neuro-otology		Convener: Sudhir Kothari, Ahmedabad
	Quick update on the diagnosis and treatment of vertigo and dizziness	Michael Strupp, Germany	
	Approach to central and positional vertigo	Sudhir Kothari, Ahmedabad	→ Chairpersons: Vivek Lal, Chandigarh A G Diwan, Nasik
	Breakfast Session-V: Clinical Neurology		Chairpersons:
	Pearls in clinical neurology	I M S Sawhney, UK	Geeta Mohanty, Cuttack
	Clinical signs in neurology	M Madhusudanan, Thiruvanthapuram	Keyur Buch, Baroda
	Breakfast Session-VI: Seizure emergencies	LAA K Maraha Hadarahad	Convener: J M K Murthy, Hyderabad
	Acute symptomatic seizures	J. M. K. Murthy, Hyderabad	Chairpersons:
	New-onset unprovoked seizures	C. Rathore, Baroda	R M Dhamija, New Delhi Joy Desai, Mumbai
	Breakthrough seizures	Shyam K. Jaiswal, Hyderabad	Joy Besai, Manibar
-10:00 hrs	Platform Session 07: Headache		Chairpersons: Debashish Chowdhury, New Delhi
9:00-10:00 hrs		Chopra R, Bhatinda	Ramesh Bhattacharyya, Kolkata

10:30-11:15 hrs	Tea Break			
	Prof. Anupam Das Gupta Oration	Helen Cross, London	Chairpersons:	Α
	Improving outcomes in childhood epilepsy		Vrajesh Udani, Mumbai Tapas Banerjee, Kolkata	
			iapas banerjee, koikata	
			Introduction: Nandan Yardi, Pune	
1:15-12:00 hrs	IAN Oration	P. Satishchandra, Bengaluru	Chairpersons:	Α
	HIV neurology from Indian perspective: Lessons learnt		C U Velmurugendran, Chennai	
			A V Srinivasan, Chennai	
			Introduction: Sanjib Sinha, Bengaluru	
			, , ,	
.2:00 - 12:30 hrs	NSI Presidential Lecture	Suresh Nair, Thiruvanthapuram	Chairpersons:	Α
	Spinal intramedullary tumors and its mimickers		Meena Gupta, New Delhi	
			Manjari Tripathi, New Delhi	1
12:30 - 13:30 hrs	Neurology Grand Rounds	U K Misra, Lucknow with contribution by Sarosh Irani, UK	Chairpersons: Ambar Chakravarthy, Kolkata	Α
		man contribution by salesh mann, on	Ajit Verma, Bhopal	
.3:30 - 14:30 hrs	Lunch Break			
	Lunch Symposium - 07		Chairpersons: TBD	P
	Management of peripheral and central vertigo	Michael Strupp, Germany		
	Management of vertigo in Indian patients - Panel discussion			
	Lunch Symposium - 08		Chairpersons: TBD	
	Path-breaking technological innovations for neuro-cognitive assessment	Jeremy Jones, UK		
	Application of technology in neuology - the game changing trends	Ashwin Gunasekhar, USA		
	Lunch Symposium-09		Chairpersons: TBD	-
	Why do plasma exchange in Myasthenia gravis?	Vinay Goyal, New Delhi	,	
	Role of plasma exchange in Autoimmune Encephalitis	Yael Hacohen, London		
4:30 - 16:00 hrs	IAN Bar-B-Quiz	Kalyan Bhattacharyya, Kolkata		1
6:00-16:30 hrs	Tea Break	,,,		I
6:30 - 17:30 hrs	Platform Session 10: Miscellaneous Disorders		Chairpersons:	/
	MiO7/108: Differential awareness among pre-primary, primary and middle school teachers about the	lype M, Thiruvanthapuram	M S Johri, Jabalpur	
	neurological factors that affect learning disability		Human Prasad Sinha, Raipur	
	MiO12/289: Prognosis of post-cardiac arrest brain injury- multimodal approach	Chougule S, New Delhi		
	MiO8/299: Hypertophic pachymeningitis: Clinico-radiological and etiological spectrum	Nair A, Vellore		
	MiO9/300: Pattern of intra-cranial metastasis and neurological paraneoplastic profile in carcinoma lung	Gunasekar PK, Chennai		
	MiO10/316: Paraneoplastic neurological syndromes: A tertiary care center experience	Vijayaraghavan A, Vellore		
	MiO11/344: Educational outcome and school life in children with epilepsy	Kumar N, Kanpur		
	MiO12/289: Prognosis of post-cardiac arrest brain injury- multimodal approach	Chougule S, New Delhi		
	Platform Session 11: Stroke		Chairpersons:	-
	SO7/132: A study on clinicoradiological correlation of aphasia and its prognosis	Vangiliappan K, Chennai	P N Sylaja, Thiruvanthapuram	
	SO8/135: New DAFT (Dual aspiration with push and fluff technique) for stent retrievers in acute stroke with	Banga V, New Delhi	Shaji CV, Allapuzha	
	large vessel occlusion: Increasing the success rate of recanalization			
		Shah D, Jaipur		
	S09/142: Clinico-radiological & hemodynamic profiles of internal and cortical border-zone infarcts		_	
	SO10/144: Clinico-radiological & nemodynamic profiles or internal and cortical porder-zone infarcts SO10/144: Stem cell therapy in patients with ischemic stroke: A meta-analysis	Kumar A, New Delhi		
		Kumar A, New Delhi Tushar VP, Chennai		
	SO10/144: Stem cell therapy in patients with ischemic stroke: A meta-analysis SO11/161: Transcranial Doppler to assess cerebral vasoreactivity in hypertensive patients SO12/343: Prevalence of symptomatic and asymptomatic coronary artery disease in patients with stroke and	Tushar VP, Chennai

	Sunday, September 30, 201	.8		
Time	Session & Topics	Speakers	Chairpersons/Conveners	На
8:00-9:00 hrs	Breakfast Session-VII: Epileptic encephalopathies		Convener:	H
	Genetics of early infantile epileptic encephalopathies - single-center experience	Ramshekhar Menon, Thiruvanthapuram		
	Precision medicine and future perspectives in the management of developmental encephalopathies	Helen Cross, London	Chairpersons: Vinayan K P, Cochin	
	Transition from childhood to adulthood in Lennox Gastaut syndrome - cognitive and therapeutic outcomes	Nitin Sethi, New York, USA	Mohammed Kunju, Thiruvanthapuran	n
	Description Consider VIIII, No wall asked discovery related to any incompanied well with a		Conveney Salil Cunta New Dalhi	D
	Breakfast Session-VIII: Neurological disorders related to environmental pollution Neurological disorders and air pollution	Salil Gupta, New Delhi	Convener: Salil Gupta, New Delhi	В
	Global warming and its neurological effects	M D Nair, Thiruvanthapuram		
	Neurological disorders and water pollution	Y S Serohi, Pune	Chairpersons: T N Dubey, Bhopal	
			K K Bhoi, Chattisgarh	
	Breakfast Session-IX: Incorporating scales and scoring systems in clinical practice		Convener:	С
	Stroke scales - making sense of them	P N Sylaja, Thiruvanthapuram		
	Coma scales	Anand Kumar, Kochi	Chairpersons: Poornima Karndikar, Nagpur	
9:00-10:00 hrs	EDSS - Practical tips Award Papers: Neurology	Dheeraj Khurana, Chandigarh	K Parameswaran, Kottayam Chairpersons:	A
9:00-10:00 1115	AWPN_1/09: Decompressive hemicraniectomy: Outcome and its prognostic markers in malingant middle	Gowthaman KM, Chennai	Meena Gupta, New Delhi	A
	cerebral artery infarction	,	Shailender Jain, Bhilai	
	AWPN_2/11: Evidence for α-Synuclein and Inflammasome relationship: A new insight into pathogenesis of Parkinson's disease	Chatterjee K, Kolkata		
	AWPN_3/07: Clinical and radiological profile of disseminated neurocysticercosis	Ganaraj VH, Bengaluru		
	AWPN_4/18: Epidural steroid injections compared with oral treatment for lumbosacral radicular pain - A	Jain N, Kota		
	comparative efficacy study AWPN_5/19: Non-invasive carotid plaque imaging	Kumar SP, Chennai		
		· ·		
	AWPN_6/10: Brain and spinal cord lesions in leprosy: A magnetic resonance imaging based study	Polavarapu K, Bangalore		
10:00 - 10:30 hrs	Guest Lecture - 1 What is new in stroke management guidelines?	Kameshwar Prasad, New Delhi		
9:00-10:00 hrs	Award Papers: Epilepsy & Basic Neuroscience Research	Kameshwai Frasau, New Dellii	Chairpersons:	В
	AWPE_1/04: Socio-personal accomplishments in people with epilepsy: A family-unit based exposed-	Kaur J, Ludhiana	J M K Murthy, Hyderabad	
	unexposed survey from India	Isosahal V. Channai	R M Dhamija, New Delhi	
	AWPE_2/08: Magnetoencephalography imaging of inter-ictal neural oscillatory spectrum indicates that high frequency (80-200Hz) oscillations are associated with seizure freedom	Jayabal V, Chennai		
	AWPE_3/02: Comparison of Magnetoencephalography (MEG) vs SPECT and MRI seizure localization in patients	Elavarasi A, New Delhi		
	with drug resistant focal and secondary generalized epilepsy	CI CK K		
	AWPE_4/06: Problems faced by married women with epilepsy in Indian scenario – A hospital based study	Sharma S K, Kota		
	AWP/BNS1: NMDA receptor GluN2 subtype control epileptiform events in the hippocampus	Punnakkal P, Thiruvanthapuram		
	AWP/BNS2: Differential GABA A receptor-mediated synaptic transmission revealed distinct epileptogenic network patterns in paediatric and adult patients with focal cortical dysplasia (FCD)	Bannerjee J, New Delhi		
	epineptogenic network patterns in paediatric and addit patients with local collical dyspiasia (FCD)			
10:00 - 10:30 hrs	Guest Lecture - 2 Diabetic amyotrophy - a treatable diabetic vasculitis	Gareth Perry, New Zealand		
10:30-11:00 hrs	TEA BREAK			
11:00 - 11:30 hrs	Special Lecture - 1	Shakhir Hussain, Zurich, Switzerland	Chairpersons:	Α
	Dural AV fistula		P Satishchandra, Bengaluru Abdul Majeed, Thrissur	
11:30 - 12: 30 hrs	Symposium-XXII: Translational neurology symposium			
	Indigineous development of ECoG electrodes – I	Radhakrishnan J K, Bengaluru	Conveners: Sanjib Sinha, Bengaluru	
	Development of an saline based portable EEG system with automated seizure discharged detection	Sanjib Sinha, Bengaluru	Mahesh Kate, Ludhiana	
	Immunology of neurocysticerosis Neuroengineering	Amit Prasad, Mandi Manjunatha Mahadevappa, Kharagpur		
11:00 - 11:30 hrs	Special Lecture - 2	Raman Kataria, Bilaspur	Chairpersons:	В
11:00 - 11:30 hrs	Special Lecture - 2 Optimizing resources for effective rural health care	Raman Kataria, Bilaspur	K K Kawre, Bhopal	В
	Optimizing resources for effective rural health care	Raman Kataria, Bilaspur		В
11:00 - 11:30 hrs 11:30 - 12: 30 hrs		Raman Kataria, Bilaspur I M S Sawhney, UK	K K Kawre, Bhopal	В
	Optimizing resources for effective rural health care Symposium-XXIII: Epilepsy across life span		K K Kawre, Bhopal Bindu Menon, Nellore	В
	Optimizing resources for effective rural health care Symposium-XXIII: Epilepsy across life span Management of epilepsy in adolescence – A holistic approach	I M S Sawhney, UK	K K Kawre, Bhopal Bindu Menon, Nellore	В
	Optimizing resources for effective rural health care Symposium-XXIII: Epilepsy across life span Management of epilepsy in adolescence – A holistic approach Epilepsy in pregnancy - Concerns and guidelines	I M S Sawhney, UK Bindu Menon, Nellore Sita Jayalakshmi, Hyderabad	K K Kawre, Bhopal Bindu Menon, Nellore	В
11:30 - 12: 30 hrs	Optimizing resources for effective rural health care Symposium-XXIII: Epilepsy across life span Management of epilepsy in adolescence – A holistic approach Epilepsy in pregnancy - Concerns and guidelines Unique therapeutic considerations when using anti-seizure drugs in the elderly	I M S Sawhney, UK Bindu Menon, Nellore	K K Kawre, Bhopal Bindu Menon, Nellore Convener: Bindu Menon, Nellore Chairpersons: Dheeraj Khurana, Chandigarh	С
11:30 - 12: 30 hrs	Optimizing resources for effective rural health care Symposium-XXIII: Epilepsy across life span Management of epilepsy in adolescence – A holistic approach Epilepsy in pregnancy - Concerns and guidelines Unique therapeutic considerations when using anti-seizure drugs in the elderly Special Lecture - 3	I M S Sawhney, UK Bindu Menon, Nellore Sita Jayalakshmi, Hyderabad	K K Kawre, Bhopal Bindu Menon, Nellore Convener: Bindu Menon, Nellore Chairpersons:	С

	VALEDICTORY FUN	ICTION		
00 - 14:30 hrs	LUNCH			
	Deater Cassians			
iday Santamb	Poster Sessions per 28, 2018, 07:30 - 10:10 hrs			
• •	11; Headache and Dementia			
Time	Session & Topics	Speakers	Chairpersons/Conveners	
30-10:10 hrs	HPO1/20: Headache, papilloedema and pancytopenia: A great masquerader revisited	Dhamija K, New Delhi	Chairpersons:	
	HPO2/23: Atherosclerosis Related Risk Associations in cluster headache: A case control study	Gupta A,, New Delhi	Sanjay Parkash, Vadodra Sanjay Varade, Nashik	
	HPO3/41: Episodic headache with intermittent blurring of vision with dysarthria, ataxia, progressive hearing	Surya N, Mumbai	Sanjay varaue, ivasnik	
	loss: An unusual presentation of Neoplastic meningitis due to Adenocarcinoma of Lung			
	HPO4/143: Migraine with Aura: Headache and aura characteristics and treatment outcome	Datta D, New Delhi		
30-10:10 hrs	HPO5/202: A single-centre observational study on patients with idiopathic intracranial hypertension HPO1/20: Headache, papilloedema and pancytopenia: A great masquerader revisited	Singh S, New Delhi Dhamija K, New Delhi	Chairpersons:	
50 10.10 1113	HPO2/23: Atherosclerosis Related Risk Associations in cluster headache: A case control study	Gupta A,, New Delhi	Sanjay Parkash, Vadodra	
	HPO3/41: Episodic headache with intermittent blurring of vision with dysarthria, ataxia, progressive hearing	Surya N, Mumbai	Sanjay Varade, Nashik	
	loss: An unusual presentation of Neoplastic meningitis due to Adenocarcinoma of Lung			
	HDOA/142: Migrains with Aura: Hoodache and aura characteristics and treatment outcome	Datta D, New Delhi		
	HPO4/143: Migraine with Aura: Headache and aura characteristics and treatment outcome HPO5/202: A single-centre observational study on patients with idiopathic intracranial hypertension	Singh S, New Delhi		
	HPO6/203: A study of cognitive impairment in migraine patients and its relationship with anxiety, depression and sleep quality	Alexander BK, Chennai		
	HPO7/332: A headache- right off the woods	Shakthi KJS, New Delhi		
	DPO1/36: Idiopathic Normal Pressure Hydrocephalus presenting as Psychosis	Robert S, Kanyakumari		
	DPO2/37: Forgotten Psychiatric Comorbidity in Neurological Disorders	Chaturvedi S., Jaipur		
	DPO3/97: Cognitive dysfunction in vertigo patients	Subramanian S, Chennai		
	DPO4/113: Sporadic Creutzfeldt-Jakob Disease: Report of two cases	Swathi KA, Visakhapatnam		
	DPO5/220: The Montreal cognitive assessment: Normative Data from Tamil (Indian) Based Population DPO6/233: Autoimmune encephalitis: An important cause of reveresible and rapidly progressive dementia	Bhoyar V, Chennai Singla S, Lucknow		
	The state of the s			
	DPO7/239: Case series of Cruetzfeldt Jacob disease at a tertiary care level in Telangana	Ramu A, Hyderabad		
	DPO8/324: Normative auditory verbal learning test in Indian population	Mammen JT, Chennai		
	DPO9/334: Predicting the severity of cognitive impairment from co-existing non-motor symptoms in patients with dementia	Anand SS, Kolkata		
	DPO10/352: Palliative care needs in dementia: A preliminary study	Thomas PT, Bangalore		
av. Septemb	per 28, 2018, 10:15 - 14:00 hrs			
• •	22: Movement Disorders			
-14:00 hrs	MPO1/6: Midbrain AVMs (Arterioveinous Malformations) presenting as YOPD (Young Onset Parkinson's	Farooq O, Srinagar	Chairpersons:	
	disease)		Byju N, Thrissur	
	MPO2/15: Prevalence of non-motor symptoms in patients of Parkinson's disease, treated in Tirunelveli Medical College Hospital	Basheer R, Tirunelveli	Shripad Pujari, Pune	
	MPO3/31: A rare presentation of Wilson's disease with predominant corticospinal tract involvement	Basheer R, Tirunelveli		
	MPO4/61: Two cases of hyperglycemia induce abnormal movement with reversible MRI changes	Agrawal K, Mumbai		
	MPO5/84: Application of Indian smell identification test (INSIT) as a screening test to study unawareness of	Patel U, Mumbai		
	hyposmia in patient of idiopathic parkinson's disease (IPD) MPO6/95: Differentiation of autonomic dysfunction in multiple system atrophy subtypes and Parkinson's	Garg D, New Delhi		
	disease			
	MPO7/107: Vascular Parkinsonism: A myth or reality	Rath S, Varanasi		
	MPO8/131: Study of clinical spectrum, topographic correlations and frequency of post stroke movement disorders in adults	Elango N, Chennai		
	MPO9/164: A case of symmetrical Parkinsonism due to Intracranial Dural AV Fistulae caused by chronic	Subramanian M, Chennai		
	cerebral venous sinus thrombosis MPO10/328: Clinical comparisons between patients with freezing and gait disturbances in Parkinson's disease	Mondal B. Kolkata		
	MPO11/336: Association of disease severity and inflammatory markers in patients with Parkinson's disease	Roy A, Kolkata		
	WFO11/336. Association of disease severity and inflammatory markets in patients with Farkinson's disease	NOV A, KOIKALA

	SPO1/69: An uncommon etiology of Cerebral sino-venous thrombosis in a young female: chasing the great	Pasham RR, New Delhi	Chairpersons:
	masquerader		S K Bhoi, Lucknow Ashish Mittal, Raipur
	SPO2/75: Cardioembolic stroke in India: Is the etiological spectrum changing from valvular atrial fibrillation to non-valvular atrial fibrillation	Deshmukh D, Hyderabad	Asilisti Wittal, Kalpul
	SPO3/81: Clinicoradiological profile of superficial middle cerebral vein thrombosis	Rao CS, Hyderabad	
	SPO4/89: Steroid responsive cerebral Amyloid Angiopathy related inflammation in a young female: A potentially treatable condition not to be missed	Garg N, New Delhi	
	SPO5/91: To study the etiological and clinical profile in patients of Cerebral Venous Thrombosis and its correlation with serum HDL, 25 (OH) D and Fibrinogen levels	Mishra A, Varanasi	
	SPO6/98: Stroke in young: Rare associations	Sureka RK, Jaipur	
	SPO7/103: Clinical profiling of headache in relation to first ever stroke: A Hospital based study in a tertiary care center of Eastern India	Anand KV, Kolkata	
	SPO8/106: Blood urea nitrogen/creatinine ratio as a predictor of poor outcome in ischemic stroke	Talwar P, New Delhi	
	SPO9/117: Risk factors and clinico radiological correlation in acute cerebro vascular accident	Moorthy MP, Chennai	
	SPO10/118: Our clinical experience of usage of Tenecteplase and Alteplase in acute ischemic stroke in tertiary care center	Sumra M, Ahmedabad	
	SPO11/124: An uncommon type of stroke: Deep cerebral venous thrombosis SPO12/126: The study of risk factors, eitiology and clinical profile of acute thalamic stroke in a tertiary care	Paulrajan M, Chennai Abdullah AB, Chennai	
	centre SPO13/127: Transient palilalia as the sole manifestation of left gangliocapsular infarct	Nadkarni N, Pune	
	SPO14/130: Completely recovered TIA with MCA occlusion presenting with in window period-A Management dilemma	Chandran S, Thiruvanthapuram	
	SP015/134: A cross sectional analytical study of cognitive impairment in survivors of spontaneous intracranial hemorrhage (ICH)	Puppala GK, Manipal	
	SPO16/136: Use of surpass flow diverter device (Stryker Neurovascular, Fremont, CA, USA) in the treatment of	Banga V, Gurugram	
	acutely ruptured aneurysm SPO17/138: Effect of public health insurance scheme on direct health care cost of stroke: A cost of illness study at Western Rajasthan	Puri I, Agra	
	SPO18/156: Recurrent small vessel stroke in a case of Henoch-Schönlein purpura	Singh AS, Mohali	
	SPO19/165: Iron deficiency anemia causing cerebral venous sinus thrombosis	Mistry R, Rajkot	
	SPO20/166: Experience with intravenous thrombolysis in acute ischaemic stroke in a tertiary care hospital in Kolkata	Mukherjee A, Kolkata	
	SPO21/168: Tenecteplase versus alteplase in acute ischemic stroke: An updated meta-analysis SPO22/170: Hyperadiponectemia, an acute phase response to stroke: Correlation between adiponectin and	Thelengana A, New Delhi Verma A, Indore	
	severity / functional outcome of stroke. SPO23/173: Vascular crossed aphasia: A series of ten cases from eastern India	Lahiri D, Kolkata	
	SPO24/186: Spectrum of cardioembolic stroke in university hospital in South India	Bohra K, Hyderabad	
	SPO25/198: Experience with stroke thrombolysis in a rural secondary care government hospital in Kerala	George S, Kerala	
	SPO26/210: Man in the barrel Plus" Syndrome- A rare presentation of stroke	Kumar SV, Chennai	
	SPO27/229: Unusual presentation of palinopsia due to left occipital hemorrhage in a patient with idiopathic thrombocytopenic purpura	Kumar S, Raipur	
	SPO28/234: The role of electroencephalogram in acute ischemic stroke- prediction of poor outcome?	Waran V, Chennai	
	SPO29/235: Lenticulostriate vasculopathy: A case of infantile hemiplegia.	Teja S, Nellore	
	CDO20/202. Thrombolistic for courte inchemic strate, mublic quarances	Chummuraarundaram V Channai	
turday, Septe	SPO30/283: Thrombolysis for acute ischemic stroke- public awareness ember 29, 2018, 7:30 - 10:00 hrs	Shunmugasundaram K, Chennai

	SEP18/260: Bilateral hypertrophic olivary degeneration-a rare and delayed complication following pontine hemorraghe	Yadav PK, Durgapur	
	SEP19/272: Clinical and imaging profile of patients with cerebral venous thrombosis	Suhana S, Davanagere	
	SEP20/277: Risk factors and mechanism of stroke in young in 536 patients at a tertiary referral hospital	Arepareddy PK, Bangalore	

E-Poster Session - 03; Saturday, September 28, 2018, 13:00 - 14:00 hrs Autoimmune Disorders 13:00 - 14:00 hrs AEP1/79

hrs	AEP1/79: Treatment response over 6-8 months in acute demyelinating disorders of brain and spinal cord	Darole P, Mumbai	Chairpersons: Rohit Bhatia, New Delhi	
	AEP2/90: Clinical features and response to treatment in 8 patients of Autoimmune Encephalitis from a teritiary care centre in Eastern India: A prospective case series	Sawale V, Kolkata	Nitin Chandak, Nagpur	
	AEP3/221: Morvan's syndrome after conventional scrotal tapping	Sahu CS, Raipur		
	AEP4/222: Is hypertrophic pachymeningitis really idiopathic?	Barvalia P, Mumbai	1	
	AEP5/250: Optical coherence tomography and visual evoked potential in optic neuritis: Which predicts early?	Shivaraman AM, Chennai		
	AEP6/251: Spectrum of idiopathic inflammatory demyelinating diseases of the CNS	Saraf N, Kolkata		area
	AEP7/252: Clinical profile of Neuromyelitis Optica spectrum disorder in a tertiary care centre	Ajit K, Chennai		ed ar
	AEP8/253: Systemic lupus erythematosis presenting as aseptic meningitis and subdural haemorrhage	Saraf N, Kolkata		Poster designated
	AEP9/254: A rare case report of MuSK Myasthenia gravis in a HIV patient	Faldu H, Mumbai		er de
	AEP10/266: A study on patients of vasculitic neuropathy attending tertiary care hospitals in Eastern India	Trivedi S, Kolkata		E- Post
	AEP11/269: Hashimoto encephalopathy – with abnormal movements	Kar M, Hyderabad		
	AEP12/302: Relevance of anti-TPO antibodies in the clinically un-explained encephalopathy- is it under reported or a mere coincidence?	Karthikeayan V, Chennai		
	AEP13/341: Autoimmune encephalitis: Case series from a tertiary care hospital	Reddy RJ, Guntur		
	AEP14/353: Clinical features, disease course, outcome, comparison as per serostatus and application of international consensus criteria in Neuromyelitis Optica Spectrum Disorder (NMOSD)	Bhatia R, New Delhi		
	AEP15/359: Autoimmune encephalitis: A case series	Trivedi S, Kolkata		
	AEP16/AWPN5: Typical and atypical NMOSD and its implications	Koduri C, Guntur		
				_

E-Poster Session-04; Friday, September 28, 2018, 17:00 - 18:00 hrs

17:00 - 18:00 hrs	MEP1/7: Hemi Masticatory Spasm (HMS) with facial hemi atrophy and localized scleroderma: Is it strictly	Radhakrishnan D, New Delhi	Chairpersons:
	unilateral?		Hrishikesh Kumar, Kolkata
	MEP2/34: Isolated Hemichorea as a presenting feature of Fahr's syndrome due to latrogenic	Desai K, Mumbai	U Meenakshisundaram, Chennai
	Hypoparathyroidism		
	MEP3/50: Regional susceptibility of the brain in copper toxicity	Kumar V, Lucknow	
	MEP4/44: An interesting case of symptomatic cervical dystonia in a patient with acute cerebellar hematoma	Mahale R, Bangalore	
	MEP5/119: Frontal assessment battery in patients with Parkinson's disease and correlations with formal	Saini PK, Jaipur	
	measures of executive functioning at a tertiary care center in Western India		
	MEP7/183: Distinctive upper limb dystonia as a correlate to the 'Eye of tiger' MRI sign.	Chheda A, Mumbai	
	MEP8/185: Pantothenate kinase associated neurodegeneration (PKAN): A rare clinical entity	Malaka M, Tirupati	
	MEP9/205: Inherited movement disorders in children: The enigma of neurotransmitter disorders	Saini A, Chandigarh	
	MEP10/232: A case of neuroacanthocytosis.	Bandari RK, Secunderabad	
	MEP11/291: The parkinson's disease sleep scale: evaluation of sleep disturbances in Parkinson's disease patients	Shakthi C, Madurai	
	MEP12/298: Assessment of pain and its correlation with motor disability in Parkinson's disease	Agrawal AK, New Delhi	
	MEP13/309: Inter-rater and intra-rater agreement on the 2018 consensus statement on classification of tremors	Rajan R, New Delhi	
	MEP14/327: Brothers with paroxysmal kinesigenic and paroxysmal non kinesigenic dyskinesia: A case report	Kumar CA. Lucknow	
	MEP15/AWPN25: Prevalence and spectrum of pain In Parkinson's disease	Srinivas UM, Chennai	

ilepsy				
00 - 10:00 hrs	EEP1/38: Dacrystic Epilepsy	Raybarman C, Tripura	Chairpersons:	
	EEP2/46: Clinical and electroencephalography Profile in febrile seizures in children aged between 6 To 12	Bose JA, Thanjavur	Ramshekhar Menon,	
	Years		Thiruvanthapuram Ashok Kumar, Patna	
	EEP3/48: Novel KCNQ2 mutation presenting as refractory childhood epilepsy: A case report	Mundlamuri RC, Bangalore	Ashok Kumai, Tatha	
	EEP4/47: Efficacy & tolerability of perampanel in treatment of epilepsy based on Concomitant AEDs	Haldar A, Anandapur		
	EEP5/64: Is immuno suppression therapy helpful in norse / fires?	Choudary GV, Hyderabad		
	EEP6/85: Knowledge, Attitude, Practice and drug utilization pattern study in North Indian epilepsy patients	Sethi A, Varanasi		
	EEP7/207: Doose syndrome: A case report	Reddy MVH, Hyderabad		
	EEP8/208: Electrocardiography and vascular risk profile abnormality in people with epilepsy on long term Anti-	Muppalla LL, Visakhapatnam Paila R, Hyderabad Kumar BNM, Hyderabad Bondada RA, Chennai Kesireddy S, Vijayawada Prajapati C, New Delhi		
	epileptic drugs (AEDs) EEP9/304: Psychosocial functioning is associated with adjustment to seizures and requirement for more anti- epileptic drugs in persons with epilepsy EEP10/305: Clinical features and role of psychological counselling in non-epileptic attack disorders EEP11/308: Hemiconvulsion hemiplegia epilepsy: A case report EEP12/369: Cognitive and neuropsychological assessment in people with epilepsy: A case control study EEP13/371: A long-term follow up of epilepsy patients after a single neurologist visit: A case control study			
	EEP14/372: A study of the treatment gap in epilepsy	Bhoi KK, Raipur		
	EEP15/AWPE1: Counseling by an Indian Neurologists for various risks involved in epilepsy including SUDEP	Diwan A, Nashik		
	EEP16/AWPE3: New onset inter-ictal headache in People Living With Epilepsy (PWE): A case-control study	Rao M, Puducherry		
	EEP17/AWPE5: Variations in EEG with mobile phone usage in medical students	Tandan R, Lucknow		
	EEP18/AWPE7: To evaluate Cognitive dysfunction in Patients with Juvenile Myoclonic Epilepsy (JME)	Chawla T, New Delhi		
	EEP19/AWPE9: Comparison of clinical, imaging and electrophysiological features in focal cortical dysplasia	Babu S, Secunderabad		
	type 1 and type 2 EEP20/AWPE10: Social cognition abilities In patients with chronic temporal lobe epilepsy	Manjeera K, Hyderabad		
oster Sessio	n-06; Saturday, September 29, 2018, 13:00 - 14:00 hrs	,,,		
oke	11 00, Saturday, September 23, 2010, 19100 1113			
0 - 14:00 hrs	SEP21/285: Comparison of risk factors and severity of anterior circulation stroke versus Posterior circulation stroke	Aravind S, Chennai	Chairpersons: Ashok K Uppal, Amritsar	
	SEP22/286: A case report of combined CRAO with CRVO and bilateral carotid artery disease in a patient with protein C deficiency	Chakravarthi D, Chennai	R N Chaurasia, Varanasi	
	SEP23/288: Case report of cerebral hyperperfusion syndrome	Reddy MVH, Hyderabad		
	SEP24/290: Our experience with stroke thrombolysis at tertiary care public hospital	Somkuwar A, Mumbai		
	SEP25/292: Trans cranial doppler in sickle cell anemia (SS) at Chhattisgarh (CG)	Sharma S, Raipur		
	SEP26/294: Case report of primary angiitis of the CNS [PACNS]	Dasari V, Hyderabad		
	SEP27/306: The correlation of VEGF-A and BDNF levels with early neurological deterioration (END) in acute ischemic stroke patients	Praksh D, Lucknow		
	SEP28/315: A case series of malignant middle cerebral artery infarction	Meduri PC, Chennai		
	SEP29/321: Hemichorea in a patient with recent ischemic stroke	Vasagam P, Madurai		
	SEP30/326: Raised blood urea nitrogen/creatinine ratio is associated with increased mortality in patients with	Pathak A, Varanasi		
	Intracerebral hemorrhage SEP31/333: Cerebral venous sinus thrombosis in elderly patient at tertiary care center	Patel K, Vellore		
	SEP32/337: Bifurcation of common carotid artery: A CT angiogram based study from central India	Sinha H, Raipur		
	SEP33/339: Cerebral venous sinus thrombosis as a complication of Varicella zoster infection	Sundaram SN, Chennai		
	SEP34/340: Study of complications in patients on vitamin K antagonists	Kumar S, Raipur		
	SEP35/345: A retrospective study of young stroke etiology in tropics	Shanmugam S, Madurai		
	SEP36/346: Study of initial electrolyte abnormalities in acute stroke patients	Sudheer P, Chennai		
	SEP37/356: Multiple cranial neuropathy and radiculopathy: An unusual presentation of Cerebral Venous Sinus Thrombosis	Behuria P, Cuttack		
	SEP38/358: Atypical Wallenberg's syndrome due to arterial thrombosis associated with gastric cancer	Balaji BS, Madras		
	SEP39/360: Aortic CT angiographic abnormalities in acute ischemic stroke	Nardla MR, Chennai		
	SEP40/367: Stroke mimics: A tertiary care teaching hospital experience.	Alexander PT, Vellore		
	n-07; Saturday, September 29, 2018, 13:00 - 14:00 hrs			
oke 0 - 14:00 hrs	SEP42/AWPN2: Hyperadiponectemia, an acute phase response to stroke: Correlation between adiponectin	Verma A, Indore	Chairpersons:	
	and severity / functional outcome of stroke SEP43/AWPN3: To assess The Cognitive Function In patients with Carotid Artery Stenting		P N Sylaja, Thiruvanthapuram P K Shembalkar, Nagpur	
	SEP44/:	Gupta A, Bengaluru Jayakumar H, Chennai	i k Shembalkar, Nagpur	
	SEP45/AWPN26: A novel wearable device for motor recovery of hand function in chronic stroke survivors	Choudhary S, Kolkata		
	SEP46/25: Utility of video-EEG monitoring in a tertiary care epilepsy center	Chatterjee A, Manipal		
	SEP47/AWPN15: Neuro Cardiac Axis in Central Vertigo	Moorthy M, Chennai		
	SEP48/AWPN17: Association between gender, involved hemisphere and outcome after stroke and influence of socioeconomic status on stroke outcome: An ambispective cohort study	Kapoor N, Delhi		
	SEP49/AWPN01: Facial MRC scale: Validation of new Facial Palsy Scoring System	Ansari A, Mumbai		
	SEP50/AWPN20: To study the occurrence of unrecognized diabetes mellitus and prediabetes in patients of	Puja, New Delhi		
	acute ischemic stroke	Nagendra S Mumbai		
	acute ischemic stroke SEP51/AWPN22: Parietal Drift: A useful clinical sign	Nagendra S, Mumbai		
	acute ischemic stroke SEP51/AWPN22: Parietal Drift: A useful clinical sign SEP52/AWPN23: An Interesting Interplay of Atrial Fibrillation-Clinical, Radiological and Prognostication Profile of cerebrovascular accident In A Tertiary Care Hospital	Panyala S, Mysore		
	acute ischemic stroke SEP51/AWPN22: Parietal Drift: A useful clinical sign SEP52/AWPN23: An Interesting Interplay of Atrial Fibrillation-Clinical, Radiological and Prognostication Profile of cerebrovascular accident In A Tertiary Care Hospital SEP53/AWPN28: Cerebrovascular reactivity in ischemic stroke patients: A case control study	Panyala S, Mysore Shah U, Puducherry		
	acute ischemic stroke SEP51/AWPN22: Parietal Drift: A useful clinical sign SEP52/AWPN23: An Interesting Interplay of Atrial Fibrillation-Clinical, Radiological and Prognostication Profile of cerebrovascular accident In A Tertiary Care Hospital	Panyala S, Mysore		

E-Poster Session-08; Saturday, September 29, 2018, 16:30 - 17:30 hrs Infections, Neuromuscular Disorders and Stroke

16:30 - 17:30 hrs		Sundar U, Mumbai	Chairpersons:	
	and follow up at 4 to 6 months		A B Taly, Bengaluru	
	IEP2/215: Dengue encephalitis: Diagnosed by Dengue dot sign with positive CSF dengue PCR	Sharma A, Ahmedabad	Ajith Cherian, Thiruvanthapuram	
	IEP3/265: Challenges in management of Aspergillosis- A series of interesting cases	Ray S, Chandigarh		
	IEP4/273: The man with post – operative infection	Shobhana A, Kolkata		
	IEP5/278: Idiopathic hypertrophic pachy meningitis: Case report	Dasari V, Hyderabad		
	IEP6/318: Tuberculoma: A therapeutic paradox?	Muppala JP, Chennai		
	IEP7/373: Central nervous system involvement in syphilis	Sahu S, Raipur		
	IEP8/357: CEDNIK Syndrome: A rare syndromic intellectual disability	Prajapati A,		
	IEP9/350: Cerebellar ataxia due to occupational methane poisoning	Dhonde P, Mumbai		
	IEP10/:			
	NEP1/4: Familial Madras pattern of motor neuron disease: Case report from western Rajasthan	Prasad P, Jodhpur		
	NEP2/12: Peripheral neuropathy in children with Thalassemia Major: A study from tertiary care centre in North India	Bala K, Rohtak		area
	NEP3/111: Clinical spectrum of chronic inflammatory Demyelinating Polyneuropathy among patients with and without diabetes mellitus in Western Rajasthan	Awasthi P, Jodhpur		E- Poster designated area
	NEP4/94: Clinical profile, complications and outcome of myasthenic crisis patients at a tertiary care centre	Chalasani V, Chennai		desig
	NEP5/209: Puzzling cases of peripheral neuropathy	Sangani P, Hyderabad		ster
	NEP6/214: Spectrum of peripheral nerve vasculitis at tertiary care centre	Chhirolya R, Lucknow		9
	NEP7/240: A 50 day follow up study on the effect of edaravone on motor neuron disease with respect to ALS FRS (revised) score	Raj JP, Allappuzha		ش
	NEP8/263: Follow up analysis of clinical and electrophysiological parameters in patients with Guillain-Barre Syndrome: A short term study	Jayaharan N, Chennai		
	NEP9/314: Hirayama disease: A case series from a tertiary care center	Vemuri R, Guntur		
	NEP10/AWPN12: Electrophysiological and LANSS pain scale score relationship in patients with carpel tunnel syndrome	Me Attuluri M, Attuluri M,		
	NEP12/:			
	NEP13/AWPN21: Role of ultrasonography to monitorcarpal tunnel syndrome patients treated with local	Wagh S, Puducherry		
	corticosteroid			
	NEP14/AWPN24: Importance of A waves in predicting recovery in GuillainBarre Syndrome	Lakshminarasimhan S, Chennai		
	SEP41/231: Polycythemia and ischemic stroke	Umachandran P, Chennai		
	SEP56/AWPN04: Triad of Clinical Findings Localises to Cortex	Vasanthy, B, Kottayam
