

# Indian Academy of Neurology

## What are the benefits of membership of the Indian Academy of Neurology (IAN)?

1. A platform to facilitate exchange of information and enhance networking activities among neurologists.
2. Reduced-rate of registration at IANCON, the Annual Conference of IAN, its subsection meetings and summer postgraduate and epilepsy schools.
3. Free online and print access to Annals of IAN, the official journal of IAN.
4. Travel grants and stipends for attending national and international neurology meetings, conferences, workshop and seminars.
5. Facility to exchange ideas, knowledge and expertise via the IAN website and other social media.
6. Contact details of neurologists across the country (members) through a directory of members.
7. Up-to-date business and professional news and information through the IAN newsletter.
8. Information regarding oncoming international neurology conferences, seminars and symposia through the IAN website and newsletter.
9. Subsidized membership of the World Federation of Neurology and the International Federation of Clinical Neurophysiology.

- Those who have completed training in Neurology/Paediatric Neurology with a DM (or its MCh equivalent) degree can apply for the Life Membership. The membership dues are Rs. 8,000/- only in addition to Rs. 500/- as admission fees.
- In training, registered postgraduate student and researchers pursuing studies in neurology or its allied branches can become Associate Members for a period of 3 years by paying Rs. 4,000/- only in addition to Rs. 3,00/- as admission fees (they can convert to Life Membership by paying a balance sum of Rs. 4,000/- only after 3 years)

Membership forms can be accessed online at [www.ian.net.in](http://www.ian.net.in) or else you may write to the Secretary, IAN at [iansecretary@gmail.com](mailto:iansecretary@gmail.com) or ring up +919878024460.
